PROXMOX
GETTING STARTED GUIDE

Managing Proxmox:

#1 Connect your monitor and keyboard to your Pulcro TurnKey Mini PC. Your default login credentials are:

Login: root
Password: Freedom123!

Security Tip: **Immediately change the default password!**
Sign in at the Linux terminal, and use the the `passwd` command.

After signing in, your IP address will be displayed in the terminal.

Open a browser on your network and go to: https://YOUR-IP-ADDRESS:8006
